

## **Recommendation of Andrei Shumilov**

---

7 December 2014

Andrei was translating several events for us in Clearwater, Florida this summer. His translation was very precise, easily understood by both parties and with high rapport. His manners were very friendly and pleasant to the audience.

I participated in an Internet seminar where Andrew was doing consecutive interpreting for the audience. Again his rendition was precise, rapid, clear, and carried the intention of the speakers very well.

I would highly recommend Andrei Shumilov without any reservation to anyone needing Russian / English translation or interpreting services.

Sincerely,
